By law, we cannot disclose certain medical information (relating to physical, mental, or behavioral health or condition). Although we do not generally collect such information, it could appear in the name of a data furnisher (i.e., "Cancer Center") that reports your payment history to us. If so, those names display in your report, but in reports to others they display only as MEDICAL PAYMENT DATA. Consumer statements included on your report at your request that contain medical information are disclosed to others.
